City Council Members:

My name is Jodie Lopez. I am currently organizing The 5th Annual SuperHero Run to Cure Diabetes 5k. This year we are excited to announce our first ever 1K run/walk for kids.

The last four years have been a tremendous success and we could not do it without your generosity. We are hoping that this year's 5K will be even better than the last. We have been able to donate a total of \$31,335 to The Juvenile Diabetes Research Foundation – Austin Chapter.

We would kindly ask for road closures as well as staff time and fees to be waived.

The 5k route will go from South Ave C – from Central Ave to West 11th, West 2nd – from Ave C to West 11th. West 11th from West 2nd to Ave C on March 9th from 8:00 a.m – 12:00 p.m. The Elgin Volunteer Fire Department has kindly offered to assist in road closures, as well. They've offered to help in any way they can for this event.

JDRF Austin Chapter partnered with me for the SuperHero 5k, and they are very excited the City of Elgin is helping in their mission to find a cure.

The SuperHero team is working hard to make this event our best year yet and to bring in more people than ever to beautiful Downtown Elgin. On behalf of the SuperHero team, we'd like to thank the City of Elgin for their support.

Sincerely,

Jodie Lopez
