

Elgin City Council Meeting Agenda Item Executive Summary

ITEM: Consideration of staff recommendation on an action plan related to an area in the southeast quadrant of the City annexed in 2015 (“Annexed Area”) and related matters

DEPARTMENT: City Manager

PROPOSED ACTION:

This item is to allow for further review and discussion of the item as stated; and direction to staff regarding same as may be deemed appropriate.

BACKGROUND:

Discussed at previous meetings; In December of 2015, the City completed an annexation of certain real property that is located on the southeast side of town. The total of all such property annexed at that time was 131 acres that contained a variety of existing land uses.

One, if not the, primary objectives of the annexation then was to prevent further expansion of the City of Bastrop’s jurisdiction. Aggressive annexation by other cities in the area was also common at that time; and it was also thought at the time that growth and development was imminent for that area.

Given the timing of the annexation, the City is now faced with issues related to the extension of sanitary sewer services and achieving substantial compliance with applicable law by the end of calendar year 2020.

Staff submitted a report for Council’s review and at the last Regular Meeting and now seeks direction moving forward.
