Focus Area	Strategy	Lead Organization	Target Date/Complete	Responsible Party	Current Status
Historic Preservation and Downtown Development	Seek designation as Brick Capital of Texas	City	June 2005 <b>Completed</b>	Elwanda Lundgren Donna Snowden	<b>Completed</b> A city can only have one designation as Capital of Texas. Elgin is already Sausage Capital of Texas. The Southwestern Brick Institute representing three major brick companies, ACME, Boral and Hanson, passed a resolution recognizing Elgin as the Brick Capital of the Southwest. Amy Miller is using this designation on her stationary.
	Develop Railroad property – Avenue C extending south along the existing rail	City	December 2009	Mark Holm	Ongoing

Focus Area	Strategy	Lead Organization	Target Date	Responsible Party	Current Status
Quality of Life	Develop and implement a park master plan	City	Feb 2006	D. Jackson	DONE
Quality of Life	Increase requirements for developer dedication by reviewing ordinance to require a fee and/or parkland dedication	City	Spring 2007	P. Frenzel	DONE.
Quality of Life	Hike and bike trail development to connect school campuses to each other and neighborhoods to the downtown	City	2010	D. Jackson	As part of the Parks, Recreation and Open Space Master Plan, preliminary plans are in place. However, major funding is needed for this project. On the state level, resolutions are circulating to restore funding. A task force has been formed and there may be movement soon on the funding issue.
Quality of Life	Jointly develop an indoor recreation facility	Elgin ISD City	2010	D. Jackson L. Dunne	The Elgin Rotary and Kiwanis Clubs have committed funding to renovate the old hospital building. Work on the facility has commenced. The "gutted" part of the building has been cleared out and usable items have been moved to a storage facility. When completed, this facility will serve recreation needs in the community.  However, the larger community activity center for team sports, etc., which is identified in the Parks and Open Space Master Plan, will require major funding. To be addressed jointly by city and school officials, a sub-committee is being formed to begin addressing issues involved.
Quality of Life	Establish a senior and a youth Recreation Advisory taskforce to report to and advise the Parks and Recreation Board on recreation needs	City	Oct 2005	D. Doolittle	DONE
Quality of Life	Identify and coordinate desired community education and recreation programs	City	Annual review	D. Jackson	DONE
Quality of Life	Create centralized registration and information for all youth sports	Youth Sports Groups	Jan 2007	M. Sondgeroth	Partially done. . . . Contact information for youth sports is currently posted on the PARD web site ( <a href="http://www.elginpard.com">www.elginpard.com</a> ) is also linked from the city's web site. Plans are underway to also include registration locations, schedules and time lines for each sport. Note: Actual registration at a central location is not realistic because of the strict requirements for each sport.
Quality of Life	Continue efforts to recruit a major area hospital to establish a satellite in Elgin	City Chamber	Annual review	P. Frenzel	Review on-going. . . . As Elgin's population increases, the need for such a facility will become more apparent to providers. Recruiting efforts will continue.

Focus Area	Strategy	Lead Organization	Target Date	Responsible Party	Current Status
Quality of Life	Maintain open communication with existing medical community to encourage retention and expansion in Elgin. Include healthcare services in the Buy Local program to market new medical services	City Chamber	Annual review	P. Frenzel	DONE
Quality of Life	Encourage the establishment of a minor emergency clinic and additional lab facilities	City Chamber	Annual review	P. Frenzel	Review on-going. . . . An increase in population would boost progress in this area
Quality of Life	Establish a senior recreation advisory taskforce to report to and advise the Parks and Recreation Board on recreation needs	City	Oct. 2005	D. Doolittle	DONE
Quality of Life	Expand to a new adult day care facility	City	Annual review	D. Jackson	On-Hold. . . . Center has been closed, but may be developed later.
Quality of Life	Actively support and encourage the development of an assisted living facility in Elgin	City	Annual Review	N. Jenkins	DONE
Quality of Life	Maintain and improve transportation access for seniors.  Create a daily call or call-in program to contact the isolated elderly in our community.	City	Annual Review	D. Doolittle	Significant progress is being made to establish a program through which Elgin can provide transportation along with other services to the elderly. The established programs in Austin and Pflugerville are models that can be used in Elgin. The results of a "needs survey" re-affirmed Elgin needs such a program. We are now identifying funding, establishing a board of directors and applying for incorporation with 501c(3) status. From that we can establish the program for Elgin and improve the quality of life for seniors.
Quality of Life	Increase the hours the library is open – over time expand hours to cover 7 days	City	Oct 2006	S. Ott	DONE and on-going.

Focus Area	Strategy	Lead Organization	Target Date	Responsible Party	Current Status
Quality of Life	Identify additional funding and sponsor opportunities to expand the library resources	Friends of the Library	Annual review	S. Ott	<b>DONE and on-going.</b> The Friends of the Library and the Library Staff continually explore grant opportunities and accordingly.
Quality of Life	Integrate new library space with community education and recreation programs	City	Oct 2005	S. Ott	<b>DONE – and on going.</b>
Quality of Life	Prioritize and schedule entryway beautification program for the following intersections: <ul style="list-style-type: none"> <li>○ Loop 109 &amp; Hwy 290</li> <li>○ Main St &amp; Hwy 95 N</li> <li>○ Hwy 95 S &amp; Hwy 290</li> <li>○ Hwy 95 N &amp; Hwy 290</li> <li>○ Hwy 95 N &amp; Ave C</li> </ul>	City	Annual review	M. Sondgeroth	On-Hold. . . .  Preliminary work has been done but funding and TXDOT requirements have put this on the burner.

Focus Area	Strategy	Lead Organization	Date Complete	Responsible Party	Current Status
Tourism	Nurture the Farmers Market for Elgin measured by an increase vendors and attendance	City Chamber	Activities and improvements reported annually	Farmer's Market Committee	The River Valley Market operates next to the Library year around on Tuesdays from 2pm-5pm.
Tourism	Increase the number of scheduled tours	Chamber	Activities and improvements reported annually	Gena Carter	The Chamber has actively solicited this market. Elgin has welcomed tour groups from the Harris County Sr. Citizen travel program as well as other and other groups from the area. The Chamber has partnered with local businesses to provide an informative and educational tour to participants.
Tourism	Continued development and improvement of annual events and festivals measured by an increase in attendance and revenues for the sponsor organization	Chamber	Activities and improvements reported annually	Tourism Committee	The Chamber sponsored Elgin Western Days had one of the most successful events in recent years. The Elgin Main Street Board also had a very successful Hogeye Festival. The Chamber has worked with the Juneteenth and Chillipepper Festival to promote their events and serve as an information resource to festival organizers. Holiday By the Tracks is sponsored by the MSB and the Chamber. This year's event was very successful. Parade attendance was high and downtown stores reported steady business throughout the day.
Tourism	Participate in regional tourism and marketing with corridor and trails organizations – Brazos Trail, Presidential Corridor, and Independence Trail	City Chamber	Participation reported annually	Gena Carter	Gena Carter was recently elected to serve as secretary of the Texas Brazos Trail. Elgin is also active in the Presidential Corridor, Festivals of Central Texas Association, LCRA River Trail, Texas Yes! and the BEST tourism group. Participating with these organizations has allowed Elgin to co-op on several different marketing and advertising opportunities. Elgin received a grant from the Texas Brazos Trail for two new Depot Museum signs. Elgin has also participated in several travel trade shows throughout the year promoting Elgin as a destination.

Focus Area	Strategy	Lead Organization	Date Complete	Responsible Party	Current Status
Tourism	Improve park and recreation facilities to compete for and attract organized events and sports tournaments	City Elgin ISD	2006-2007	Main Street Board and City Parks Department	Athletic facilities at the High School and the completion of Shenadoah Soccer park are attracting more organized sports events. The Chamber has worked with local sports leagues and the Elgin ISD to provide lodging, dining and shopping information for visitors participating in sporting tournaments and events.
Tourism	Prepare a study to identify the need for downtown parking and restrooms	City	2006 -2007		This strategy was addressed in the master parks plan and the overall green space development.

Focus Area	Strategy	Lead Organization	Target Date/ Complete	Responsible Party	Current Status
