Citizen Police Academy Class

September 26th through December 5th 201 

The purpose of the Citizen Police Academy is to foster better communication between Citizens and the police through education. The academy creates a core of well-informed Citizens who possess greater insight into police practices and services. Graduates of the academy are encouraged to share their knowledge and experiences with others in the community as the opportunity arise. Everyone benefits from enhancing citizen understanding of the role and function of their police department.

The ninth CPA will begin September 26th, 2019 with a graduation dinner on December 5th, 2019. Each class consists of a three-hour block of instruction on Wednesday nights from 6:30 pm - 9:30 pm.
